Garden School Junior/Senior Permission Slip 2016-2017

- Garden School permits the juniors and seniors who have shown themselves to be responsible members of the school community and who have satisfactory academic records to leave the school grounds during their lunch period. Seniors may also leave during one of their study halls.

Before we will allow your child to leave the school, we must have your signature on the form below. Garden School is not responsible for the students' safety or conduct if they leave the school property, and the school's insurance policy for its students **WILL NOT BE IN FORCE**.

Juniors and seniors must sign out if they leave the building at any point during the school day and sign in when they return. Infraction of this rule will result in a temporary loss of the privilege.

In addition, Garden School absolutely cannot assume any responsibility if a student enters his/her own or another student's automobile at any time.

- Only juniors and seniors may order food to be delivered to the school. Any student making an order must provide the restaurant with his or her name and cell phone number. Students must meet their deliveries near the front door. The office will not accept deliveries or look for students; unclaimed deliveries will be sent back to the restaurant.

I have read and agree to the above statement.

_____ has my permission to leave the Garden School grounds during the times specified above. I understand Garden School's insurance policy is not in effect at these times.
