

GARDEN SCHOOL

Jackson Heights, New York

Richard Marotta, Ph. D., Headmaster

August, 2016

Dear Families:

As you may know, we successfully completed eight years of the Garden School Transportation Co. By all accounts, having our own yellow school buses proved to be a successful venture. We once again are ready to begin transporting your children to and from school.

Our price structure was originally based on zones and the distance from the school. Taking into consideration the economic climate, the price for gasoline and insurance, the cost for our transportation service will increase slightly.

In addition to the buses leaving after school at approximately 3:00 pm, we will continue to run a "late bus". It will depart school at 5:00 pm for students wishing to remain at school for extra help or participate in sports, music, foundations classes or the general after school program. Those students taking the late bus will be billed an additional \$20 each time they use this service.

As there are a limited number of seats, and a significant number of families (both current and new) expressing an interest in bus transportation, we strongly suggest that, if interested, you contact Ms. Maisano to secure a seat for your child(ren) as soon as possible. The fee will be included on your tuition statement and paid in accordance with your current payment plan.

As we get closer to the opening of school, we will begin setting up routes, assigning drivers, and arranging a time to "Meet Your Driver". In the interim, if there are any questions or concerns, please do not hesitate to call Ms. Maisano in the Business Office.

We are all looking forward to seeing you "on our buses!"

Sincerely,

Richard Marotta, Ph.D.
Headmaster
