

Buy A Brick

Join Mr. Pigman's 100/100 Club!

Garden alumni!

As you know, Mr. Pigman is retiring after more than 40 years. Sign up for **Mr. Pigman's 100/\$100 Club**, commit to at least \$100.00 annually for 5 years, and your name and class will be inscribed on a brick in the newly-designed 100/100 Donor's Walkway at the school's front entrance.

Imagine seeing your name there and knowing you have contributed to an up-to-date lab with individual student work stations, a chemical hood, and digital microscopes and teaching materials. The engraved 100/100 Club paver bricks will be installed in the donors' walkway August of 2017.

Buy your brick now and **FOREVER BE A PART OF GARDEN'S HISTORY!** Reach out to your fellow classmates. Make the goal to have your entire graduating class represented on the walkway. Our names will be there. Will yours?

Click here and fill out the form with the required information. Together, we will enhance Garden's science department and front entrance. Get your class represented on the walkway. Get involved...
