

Each year, the Garden School Gala celebrates the people and programs that make Garden School great. This year, as our Head of the Lower Division, Mr. William Vogel, marks his 35th year of service to the Garden community, we have chosen to honor him along with the Garden School mission that he has served so well. Mr. Vogel has served as both an educator and leader during his tenure at Garden School. He has supported and upheld the ideals of Garden's mission. This year we will be recognizing the generosity of those members of the Garden Community who have supported the Garden Mission throughout the years. The Griffin Circle will be established in their honor.

The Garden School Gala is an opportunity to bring the Garden Community together in support of the school and its future. Each gift to the project – through journal ads, tickets purchased, contributions to the auction or through an employer's matching gift program – is important. We hope that families, students, alumni and friends will all be partners in the success of the 2012 Garden School Gala.
