Thoughts for the Week

By Richard Marotta, Ph.D., Headmaster

Tonight's Gala at Terrace on the park represents the culmination of a great deal of work on the part of many volunteers to put on this event for Garden School. My thanks to them all, too numerous to mention here.

Our Gala is a chance for our parents, teachers, alumni, trustees and friends to demonstrate their support for the children and the mission of Garden School. This is the opportunity for each one of us to participate in building the school's future.

I urge you all to attend tonight's Gala. By all accounts, it is sure to be a splendid evening. There are seats available and tickets can be purchased at the door.
